

Hello all;

Well another ACC season is in the history books and it was a very successful year.

I would like to take a moment to THANK each one of you for your ongoing support, participation and enthusiasm at the ACC!

We hosted three **Open House sessions** in Jan, Feb and March to attract more curling enthusiasts and they all proved to be very successful and we are going to continue to run these recruiting evenings next year! In addition we had a **Family Open House curling** event on Family Day weekend that attracted many families - in fact we had 16 new youth join the Tuesday Youth league for the rest of the season to get them more engaged and hopefully they will be back next year!

I want to personally thank the **ACC Executive** for their tireless efforts throughout the season to make our club operate effectively! The executive contributes many hours and I am very thankful to be working with such a great group of individuals - Al, Karen, Kelly, Marion, Percy, Peter, Ron and Judy!

Also many thanks to the Ice Maker, Cleaner, League convenors, event primes, kitchen primes, bartenders and all of the volunteers for your assistance with the clubs activities!

It takes the efforts of many to run a club and I feel very fortunate to work alongside some amazing people!

Need your Help please:

Sunday May 5th - 9 - 12pm - Spring Cleanup at the ACC

We are still looking for some volunteers to help out with some spring cleaning at the ACC -

- Yard clean up
- Clearing some brush and branches on fence line
- Painting touch ups

If you can help out - please show up with your rakes ready to help - email leagues@actoncurlingclub.com or enter in your intention under Volunteer section on ACC website

More hands make easy work! Bring out any high school kids that might need their hours too.

Need your help for ACC SIGN IMPROVEMENT PROJECT

Looking for some people to run with an **ACC SIGN IMPROVEMENT PROJECT** - We want to improve our appearance and increase our presence. So we are looking for a few members to prime the sourcing and installation of a new ACC Sign this spring. Would like a new Front lawn sign as well as a ACC club marker at the corner of Queen Street and Churchill Road. Great way to utilize your skills/expertise and complete your volunteer hours early in the season! Please contact me at president@actoncurlingclub.com

Interested in Board Position or Working Committees

If interested in a Board position - we have a few openings or perhaps you have a skill that you would like to share in the operations of the club but not necessarily join the Board, please approach me or any of the current executive and we would love to discuss your offerings further.

Thanks again for a great season and hope to see you at these upcoming events.

We are already starting to plan for the next season so please bring any ideas forward!

Yours in curling,

Laurie Leighton
